

## **Anabaa ex Al Bayan Brown Filly**

### Trainer Report

When I saw this filly parade I thought she was extremely athletic and has all the attributes I look for in a filly. Pedigree, good attitude, deep girth, strength, presence, and a great walk.

Knowing the family through Pravana, and having had success with Anabaas' and Zabeels, I was attracted to her.

I thought she would have made more in the sales ring, so I was very excited when we were able to secure her. She will be a great addition to the stable.
