

HOLY ROMAN EMPEROR ex FOREVER MIDNIGHT FILLY

TRAINER REPORT

A beautiful, scopey, athletic filly by Holy Roman Emperor, bred the right way from a good running Stakes family. The Danehill/Snippets cross has been extremely successful over the years, producing the likes of Gr 1 winners Snitzel and Magnus, and this filly is another example.

Ideally, she will be a 2YO because Holy Roman Emperor was a very, very good 2YO in Europe and this filly is very precocious and very strong. She is a lovely mover with a great hindquarter and deep girth.

I expect her to be some chance of being in the Magic Millions race next year and she possesses all the traits required for an early 2YO. I was particularly impressed with the manner in which she coped with the rigors of the sale and she has a fabulous temperament.

She is an exciting prospect and one which I am happy to have in the stable.
