

MORE THAN READY ex ARTISTIQUE COLT

TRAINER REPORT

A nice colt by More Than Ready from Artistique, a very good race mare I trained. Artistique was most unlucky not to have won a Stake race at Moonee Valley. She was a good sound mare who stepped up every preparation.

Most importantly, it is a family I know a little bit about and one which has stakes performers in every generation. This colt is one of the best types from a family who all make great racehorses.

I am extremely optimistic to have a son of More Than Ready out of a good winning stakes family which you know gets to the track and wins races.
