

More Than Ready ex Danehill Lass Bay Brown Colt

Trainer Report

Having a More Than Ready somewhere in your stable is a must, and I actively went in search of one. I wasn't looking for anything though, I wanted the pedigree cross that works and I wanted the looks to match. I wanted a stallion prospect. I found this colt.

His attitude is bombproof and his action is smooth. He looks like a More Than Ready, has plenty of length and quality, and these are the attributes that makes a 2yo and a stallion. Im glad he will be on our side when the 2yo races start.
