REPORT FOR SYNDICATION

Flying Class '08

Report requested by: Champion Thoroughbreds

Description: Bay Yearling Colt
Brands: Lsh SK over I-I Rsh 5 over 8
Sire: Snitzel
Dam: Flying Class

On 13th January 2010 I examined the above described horse at Glenbrook Park, Rouchel, NSW for the purposes of mortality insurance and syndication (See EVA Mortality Insurance Report 14348).

At this time, based on and within the limits of my examination (no endoscope examination performed), I find the horse fit for the purposes for which the partnership is being formed, that being to race.

This certificate has been prepared for inclusion in the disclosure statement of the above horse. However, it does not constitute a pre purchase examination.

I certify that I have no current, nor contemplate future interest in the above described horse, other than in the supply of veterinary opinion of suitability of the above horse for racing and the purposes of mortality insurance.

Please contact me at Scone Equine Hospital if you would like to discuss this horse in more detail.
